

If I only know the name of the Accredited Certifying Agent, how do I find out where they are located?

Go to <http://www.ams.usda.gov/nop> and click on 'Certifiers' under the 'I want information on' tab. Under either or both the 'domestic...' and 'foreign...' areas click on 'Select,' pick a state or country, and click 'Go.' A list of accredited certifying agents will appear under your selection.
